Volunteers

Parent volunteers help make our show better! There is a sign-up sheet in the lobby. We also need volunteers to be in the backstage area. Checking in table or lining up dancers.

General volunteer duties are as follows:

- Keep an eye on the students as they wait backstage
- Double-check costumes and make-up before the dancers go on stage
- Line the dancers up backstage prior to their dances
- Escort the dancers back to the waiting area after their dances
- Help the students as needed throughout the show (costume changes, tying shoes, etc.)
- Supply backstage activities (such as games or coloring books) and/or **non-staining** snacks and drinks

As a volunteer, we will really need you behind the scenes for the full show. You will be able to watch your child dance from the wings.

Tuition

All account balances **must be paid in full** by May 30th

Recital memorabilia

DVDs

Your child will receive a DVD order form in class. They can be ordered up through the day of the show and will be available for pick-up at the studio in August.

Student Trophies

All students will receive their award after the show. Please make sure you stop by the trophy table backstage before you leave.

NOTE:

Attached is the **Photo/Rehearsal Time Schedule**. Please be on time so we do not hold up other classes. Dress Rehearsal is Mandatory. Reminder we will try our best to run on schedule. You are free to leave once your child dances and takes her photos.

The **Recital lineup** is separate from the **Rehearsal lineup**. Please be sure to check on what show your child is in. Many students are split in both shows. We do our best to keep dancers with multiple dances and siblings in one show but it is not always possible. Thank you for understanding in advance.

Please ask if you have any questions on which show your child is in or any other concerns
